CANCER SCREENING CAMP

Month: February 2026

On the occasion of world cancer day, as per instructions given from the Principal, Government Siddha Medical College, Palayamkottai, a special cancer screening and oncology opinion session was conducted at the OPD featuring Guest consultant Dr. Mohammed Ibrahim, oncologist. Patients attending the OPD underwent preliminary cancer screening based on clinical symptoms and risk factors followed by expert Onco-opinion and guidance.

Following are the patients screened for cancer:
